GENERAL TERMS

Semiannual summer berth contract in water costs 70% of annual berth price (01.04.-30.09.)
 Semiannual winter berth contract in water costs 50% of annual berth price (01.10.-31.03.)
 Semiannual winter berth contract on land or in storage area costs 70% of annual berth price.
 The Marina reserves the right to measure any boat VAT included in the pricelist

Berth prices include: berth, use of sanitary facilities, unlimited access to fresh water and electric power supply, Internet and annual/semiannual berths include 1 parking space (for motorcycle, car or RV)
 Boats with annual and semiannual contracts in water get 50% off for the daily dry berth.
 Boats with annual and semiannual contracts on land get 50% off for the daily sea berth.

Vessel owners that continually stay in marina receive loyalty discounts on crane lifting operations as follows:
 up to 3 years stay - 5% discount; from 3 to 5 years stay - 10% discount; more than 5 years stay - 15% discount
 Price for multihulls is increased by 100%.
 The user of the vessel is obliged to inform the marina reception every time he leaves the marina before leaving/sailing.

If it is a vessel under contract, the user of the vessel is obliged to report to the marina reception any absence of the vessel, and to announce the return at least 48 hours in advance.
 During the absence of the vessel, the marina can rent the mooring to another user.
 Before the boat leaves the marina, the user is obliged to pay for all services used according to the valid price list.

The marina may retain the vessel, parts of the vessel or the user's belongings until the debt is fully settled.
 The marina may retain the vessel, parts of the vessel or the user's belongings until the debt is fully settled.
 Water usage does not include washing the vessel.
 All crane operations are contracted at the marina reception.
 The marina reserves the right not to raise the vessel in case it does not have the means and place on land.

In the case of underwater washing of a vessel covered with shells, the amount of underwater washing is increased by 100%.
 Lifting the vessel onto the crane lines is charged with each hour started in the amount of one operation.
 Washing the underwater part of the ship does not include raising the heel of the engine for washing.
 Management reserves the right to change the prices.
