GENERAL TERMS AND CONDITIONS:

Vessels in transit on a daily berth must leave by 12:00 on the last paid day.
 Monthly berths must be reserved 2 months in advance. The paid annual berth contract starts on April 1st and ends on March 31st of the following year. The summer half-year contract for a sea berth is 70% of the total annual berth price (April 1st - September 30th). The winter half-year contract for a land berth is 50% of the total annual berth price (April 1st - September 30th). The winter half-year contract for a sea berth is 50% of the total annual berth price (October 1st - March 31st). The winter half-year contract for a land or hall berth is 70% of the total annual berth price. The price is calculated based on the overall vessel

length (LOA), including bow extensions, anchors, stern platforms, dinghy holders, etc.
 The marina reserves the right to measure each vessel and charge accordingly. Prices include VAT.
 The berth price includes mooring, water and electricity connection, use of sanitary facilities, Internet, and parking for annual and half-year contracts.
 Vessels with an annual or half-year sea berth contract pay 50% of the daily land berth fee.
 Vessels with an annual or half-year land berth contract pay 50% of the daily sea berth fee.
 Boat owners who continuously use marina services receive a discount on lifting/lowering services:
 Up to 3 years of stay: 5% discount
 3 to 5 years of stay: 10% discount

More than 5 years of stay: 15% discount
 Prices for multihull vessels are increased by 100%.
 The vessel user must inform the marina reception before each departure.
 For contracted vessels, the user must notify the reception of each absence and announce their return at least 48 hours in advance.
 During the absence of a vessel, the marina may rent the berth to another user.
 Before leaving the marina, the user must settle all used services according to the valid price list.
 The marina has the right to retain the vessel, parts of the vessel, or the user's belongings until all debts are settled.
 All crane operations must be arranged at the marina reception.

The marina reserves the right not to lift a vessel if there are no available facilities or space on land.
 If a vessel's hull is covered with shells, the underwater cleaning fee is increased by 100%.
 Lifting a vessel onto slings is charged per hour started at the rate of a full lifting operation.
 Cleaning the hull does not include lifting the engine foot for cleaning.
 A vessel without crew presence must not be connected to an electrical cabinet.
 Charging electric vehicles is not allowed in the marina.
 * * *
The marina management reserves the right to change prices.
